3. Committee Assignment Updates
 - a. Committee went over the letter written by Cindy for the newspaper. After a couple of change suggestions the committee will get this to the paper.
 - b. Responses from the World: All but one are positive. Rosemary will get the names into a data base for future use.
 - c. Anita checked the internet for auto dealers in Berlin. There are none listed. Those that are actually in Berlin are listed as Barre or Montpelier.
 - d. The national weather reports given for Montpelier are actually from the Knapp Airport in Berlin.
4. Continued discussion concerning a name for the Berlin portion of US302. Pat has contacted Steve Sherrill of the State Traffic Operations Section. He stated that the Selectboard of a Town has the authority to name a road whether it is a Town or US Route.

Unanimous resolution of the Committee: The Post Office Committee authorizes Committee Chair Pat McDonald to present to the Berlin Selectboard the proposal that the portion of US302 that is in Berlin (otherwise known as Barre-Montpelier Rd) be given a name. The Committee would like to suggest a contest for Berlin School children to name the road.

Committee members will distribute blank copies of the support form that was in the World. Rosemary will get a copy of this form and Post Office Committee minutes to Norb Rhinerson for the Web-Site. Rosemary's e-mail address will be added to the form for electronic responses.

5. Minutes of previous meeting were approved.
