

### **Berlin Reappraisal Update for April 17, 2008**

The Berlin Town reappraisal is progressing on schedule with only a few roads / neighborhoods left to inspect.

Our immediate goal is to have all property (including houses / buildings and commercial properties) inspections **completed by May 15<sup>th</sup>**. We will then complete our data entry and do a final review of values and hope to publish our booklet with all property values between June 15<sup>th</sup> and June 30<sup>th</sup>. We have had good cooperation from property owners to date and thank you for your efforts to help us stay on schedule. For the remaining areas that still need inspections, **Immediate response to the letter you will receive**, informing you of the week we will be in your area is appreciated.
