Town Of Berlin Winter Preparedness Survey

Thank you for taking our survey. This should only take a few minutes. The questions begin on the next page.

Please be sure to press "NEXT" at the bottom of each page. This ensures that your responses will be recorded.

The Berlin Selectboard and members of Berlin's Emergency Management Committee have joined together along with several other volunteers to begin preparing for potential challenges relating to food, fuel, and transportation that the coming winter months may bring. The Town is also involved with the Central Vermont Food, Fuel, and Transportation Coalition that is focusing on similar issues. We are hoping, through this survey, to identify how we might be able to assist you and if you are interested, how you might be able to help us with this effort.
