

## May Meeting Minutes

May 20, 2015

Our annual potluck dinner meeting this year featured a trip through Berlin by photographs. The meeting was held at the Congregational Church Parish Hall at Berlin Corners with about 30 members and friends attending the dinner and at least 40 at the presentation.

Manny Garcia started the slide show by showing photos of the area of Berlin along the Winooski River that was annexed by Montpelier in 1899. Several of these photos dated back to the 1800's when this area was still part of Berlin. I then continued with photos of the Barre-Montpelier Road, Berlin Corner, Berlin Pond, East Road, Jones Brook and West Berlin. These photos with explanations of each will be stored in our files for future use.

This meeting was the first one held in 2015 due to our presidents now living in assisted living quarters. Norb Rhinerson, told us that he would be unable to continue to lead us any longer due to his now living in Williamstown.

Respectfully submitted,  
Richard Turner,

Secretary
