January 28, 2022

Thanks for calling the Berlin Resource Line, today is Friday, January 28<sup>th</sup>

If you have not yet called or emailed the Town Clerk's office with your request for Absentee Ballots, please do so 802-229-9298 or [townclerk@berlinvt.gov](mailto:townclerk@berlinvt.gov). The school ballots are going out to all active voters on Feb 9<sup>th</sup> and we'd appreciate getting requests for the other two ballots so they can go in the same envelope. At the same time you can request any and all ballots for the rest of the year, we know they'll be voting in August and November. Please make sure you indicate if the ballots are being mailed to your home address and if it was correct on the mailing... or give us an alternate address for the Town Meeting ballots if you're away.

There will be a Virtual Pre-Town Meeting on Monday, February 21<sup>st</sup> 6pm.

It's time to license your dogs. On or before April 1<sup>st</sup> is \$9 for spayed/neutered dogs, and \$11 if they're not. We need to have a current rabies vaccine on file along with a spay/neuter certificate if applicable. This can be done through the mail and we'll mail the tag(s) to you. Make sure we have your current address, phone number, the dog's name and their description (sm / med / lrg; color, breed, and approximate age)

Meetings are held in person here at the Town offices and with an option to Zoom or phone in, details are on the agendas online or on the message board in front of the Town office.

Monday, February 7<sup>th</sup> 6pm Selectboard meets

Skating rink next to the Town office is open, please only have one family in the warming hut at a time. There is a light switch on the pole in the corner of the rinks if you're there after dark

We hope to go live with our new Town website soon after Town Meeting Day.

This weekend is the annual ice harvest down at the Floating Bridge, I believe it starts at 10am.

The next Resource Line update will be Friday, February 4<sup>th</sup>
