February 4, 2022

Thanks for calling the Berlin Resource Line, today is Friday, February 4th

The 3rd quarter tax payment is due on or before Tuesday, February 15th.

If you have not yet called or emailed the Town Clerk's office with your request for Absentee Ballots, please do so 802-229-9298 or townclerk@berlinvt.gov. The school ballots are going out to all active voters on Feb 9th and we'd appreciate getting requests for the other two ballots so they can go in the same envelope. At the same time you can request any and all ballots for the rest of the year, we know they'll be voting in August and November. Please make sure you indicate if the ballots are being mailed to your home address and if it was correct on the mailing... or give us an alternate address for the Town Meeting ballots if you're away.

The Town Meeting Warning can be found on the main page of the Town website

Town Reports are expected to be available on Monday, February 14th. You'll be able to find them in the house-shaped bin in front of the Town offices next to the book swap. These reports will be sent home with the oldest student in each family at Berlin Elementary School. We'll also get it posted to the Town website.

There will be a Virtual Pre-Town Meeting on Monday, February 21st 6pm.

Meetings are held in person here at the Town offices and with an option to Zoom or phone in, details are on the agendas online or on the message board in front of the Town office.

Monday, February 7th 6pm Selectboard meets

Skating rink next to the Town office is open, please only have one family in the warming hut at a time. There is a light switch on the pole in the corner of the rinks if you're there after dark Tom Willard was out there today with the snow blower so it should be good to still use. If anybody is available to help Tom with the maintenance of the rink we know he'd appreciate the help. Call the Town office and we can put you in touch with him.

The next Resource Line update will be Friday, February 11th
