Monday, January 17th – The Town Clerk's office will be closed but the rest of the Town offices open.

Wednesday, January 19th 6pm the Board of Abatement and Board of Civil Authority meets at the Town offices – this is strictly an in-person meeting

Petitions to be on the Town Meeting ballot to run for Selectboard or School Board are available at the Town Clerk's office. The completed petitions with signatures from Berlin residents on the checklist are needed before January 24th at 5pm. Hopefully there will be multiple candidates for each seat!

- Selectboard (one 3-yr term and two 1-yr terms) - 21 signatures required
- Washington Central Unified Union School District (WCUUSD) board one 3-year term - 21 signatures required

There is also a petition to be candidate for an

- At-Large Career Center School District Member - (60 signatures required)

This is if the 18 towns involved vote in favor of having the Career Center have it's own governance. A ballot about changing the governance and the at-large member will be part of Town Meeting voting. Note that a member of the WCUUSD board would also have a seat on the CCSD board. There should be more about this on their website:

Skating rink next to the Town office is open, please only have one family in the warming hut at a time.

Volunteer opportunities available on our boards and commissions include – Conservation, Cemetery, Development Review, Economic Development, and Tree Warden. Contact our Town Administrator with questions or interest. Vince Conti 802-552-8801

The next Resource Line update will be Friday, January 14th
