Dog License 2017

On or before April 1st the fee to have your dog licensed is:

\$9 for spayed / neutered dogs and \$11 for unsprayed / unneutered.

After April 1st it increases to:

\$13 for spayed / neutered dogs and \$17 for unsprayed / unneutered.

If you're stopping by for a license our hours are 8:30am – 3:30 Monday – Thursday (not closed during lunch). You can also take care of dog licenses through the mail, please include the new rabies vaccination paperwork if needed, and make a check payable to "Town of Berlin". We will mail the dog tag(s) to you.

If you have a new dog to license, please make sure we receive not only the rabies vaccination but the spay/neuter certification if applicable, along with a description of the dog (name, size, m/f, color, breed), and your name, physical address, phone number, and email address.
