

GREEN UP DAY
SATURDAY, MAY 7, 2022

Twin City Subaru, 142 Berlin Mall Road, currently has Green Up bags available for pick up until Saturday morning, May 7th starting at 8:00 a.m. They will have a dumpster from Friday, May 6th through Monday, May 9th. Unfortunately, they will not have a truck going around this year, residents are encouraged to bring their filled bags to Twin City Subaru or the Town Offices to limit the pick up necessary on Monday.

Twin City Subaru will have burgers and hot dogs on May 7th starting around 11:30am for those participating in Green Up Day who are dropping off what they've cleaned up.

Green Up bags are currently available at the Town offices and Tim Shea, our Green Up Coordinator this year will be at the Berlin Town Offices on Saturday, May 7th from 8am - 10am for residents to pick up bags. Water and snacks will also be available. The Town will have a special dumpster available for dropping off bags on Saturday. The Town staff will go around on Monday to pick up any leftover bags and large items/tires not brought in.

Thank you for any time you're able to give to keep our community clean, it is greatly appreciated!
